				Setting Prices		

How to access HP LIFE

Learning that meets you where you are and takes you where you want to go

App

Courses can be taken offline

Convenient and effective way to learn with access to all HP LIFE content.

Download on the App Store

GET IT ON Google Play

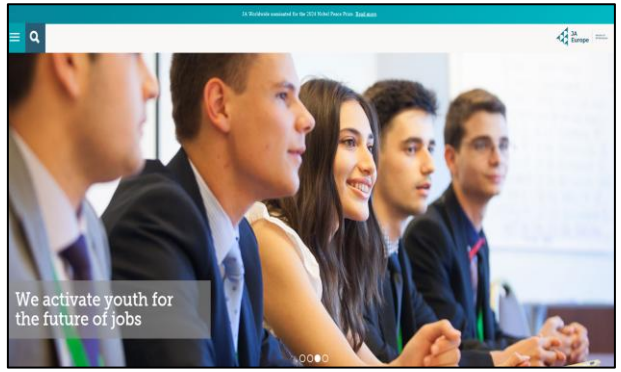

Online

Available anytime, anywhere with an Internet connection.

www.life-global.org

Off-platform

Accessible off-platform through partner programs like Junior Achievement.

In person

Technology-enabled learning hubs that facilitate skills building and collaboration in face-to-face settings.

Fuelling Mozambique

DigiMoz – Digital Public Services & E-Government

simplify public services for citizens.

AI & Data Infrastructure - AI data centre to serve Southern Africa, and decrease reliance on overseas digital infrastructure.

Connectivity & Rural Inclusion ("Internet/AI for All"):
to reach 100% internet access by **"Internet nas Escolas"** program targeting 13,000 schools

Cybersecurity - Implementing mandatory cybersecurity rules in public procurement

Why

HP's advantage....its all what happens below the OS....

10+ yrs
of dedicated Endpoint Security Controller (ESC) innovation

200M+
PCs shipped with HP Sure Start – zero breaches to date

#1
to ship Quantum-Resistant firmware protection (since 2024)

3 sites
in-house BIOS team: Houston, Taiwan, Singapore

Lifecycle Management

From procurement and deployment to retirement

Definition: Managing risk across the stages of a PC lifetime

Data Security: Lost/Stolen PC

Locating, recovering and securing PCs that have gone missing

Ransomware/Phishing

Prevent, stop attacks that exploit or trick users to compromise data and compromising the business

World's first printers to protect against quantum computer attacks.[1]
